Dear Friends

Notes from the Chairman of the PMM Trust

Very sorry I was not able to be at the working bee, but very glad that so much was achieved. I understand the baking was fabulous. Some of you that worked on the walkway will remember Justin Reynolds a very keen helper on that project. He has been working on construction at the Hamilton gardens and they have produced a park bench for us. I'll be picking it up this week sometime. Thank you Justin.

Some big plans for PMM are in discussion. Watch this space!!

June Working Bee

We had a lovely fine day out at the bush for the working bee on the 16th of June. Gina, and Rangers, Ashleigh, Lily and Sarah-Jo placed a new larger plaque at the summit viewing platform. Noel, Harpal and Chris took gravel to the bottom of one of the tracks and gravel was laid to upgrade the track. Gravel was also placed over some of the existing culverts. Nick and I also planted some totara trees and pulled privet.

A big thank you to all of those who attended the June working bee, your efforts were very much appreciated.

The next working bee will be held on the 21st of July at 1pm.
