## The David Johnstone Pukemokemoke Bush Trust

Dear Friends

Thanks to everyone who attended the Working Bee yesterday. We had a successful afternoon. Eli, Gina and rangers Ashleigh and Hannah cleaned the outside of the toilets then along with Graham they did some plant releasing where the trees that were planted in June were being covered by weeds. Nick continued his attack on privet while Harpal, Jeremy and myself

cleared the wood pile from the car park then with a bit of kiwi ingenuity connected the 2 water containers together and connected the guttering to the water container. Jeremy with a bit of difficulty managed to get the fittings to do this and hopefully it will work well.

Our AGM is to be held this Monday

21<sup>st</sup> November at 5pm at Rhoda Read. You are all very welcome to attend.

The next working bee will be on Saturday 17<sup>th</sup> December. I will email you nearer the time.
